Dear South Carolina PSC,

I would like to register to speak at the virtual public night hearing in Docket No. 2020-229-E regarding Dominion Energy South Carolina's solar choice metering tariff on Tuesday, March 23rd.

Phone: \_\_\_\_\_

I am unable to attend virtual meeting. Would like to express my concerns about Dominion add a \$60.00 a month fee to solar panel users.

I chose to use solar panels to do my part in helping the environment with clean energy. Using solar panels also saves me money.

In my opinion the added fee could discourage people from using solar panels.

Thank you

Vicky Feliz
